

The Parcel Store.com

A 'revolutionary' way to deliver your freight...

Well that's a big statement. That's because at the Parcel Store we 'think outside of the box', when it comes to delivering your freight!.

How about having your boxes, packets and satchels delivered by National and International carriers, have up to date 'LIVE' tracking of the delivery progress, have flat rates with no fuel surcharge, use a state of the art shipping system, all under one account?

The Parcel Store.com can save your business a significant amount of money by selecting the best carrier for each consignment or single parcel sent out by your company. The buying power we have with our service providers will help to improve your freight management, saving you time & money...

We offer a complete service by combining the speciality of

The Parcel Store.com

and the strengths of carefully selected National and International networks who will deliver your freightSimple!
